Not only does the OBB support the foodbank's mission, it is also used by many community organizations to help streamline access to work support programs and reduce confusion for clients and caseworkers:

- The OBB includes case management tools for Pro counselors that serve as Authorized Representatives for clients that have difficulty navigating the application process on their own
- The OBB currently partners with the Ohio Department of Rehabilitation and Correction (ODRC) to connect inmates from almost all ODRC institutions with SNAP benefits upon release

Over the past 11 years the OBB network in the Akron-Canton Regional Foodbank's territory has returned over \$98.6 million in potential benefits and tax credits to more than 52,500 Ohioans. We humbly ask you to please consider investing in the continuation of this important community resource.
